- Yes
- No

"A 'disadvantaged' individual is one who comes from an environment that has inhibited the knowledge, skills, and abilities required to enroll in and graduate from a health professional training school, or from a program providing education or training in an allied health profession." OR "A disadvantaged individual comes from a family with an annual income below a level based on low-income thresholds set by the US government." Definition from the US DHHS Health Resources and Services Administration.

Florida SEARCH 2012 Student Application
